## TELLER CASH TRAYS

We make a complete line of cash trays and coin racks to meet your needs and expectations. Our products were designed to be more than just a cash tray, but an integrated system to work better for your tellers. They have been well-engineered, and are made to last over years of continuous use. It's more than just a tray—it's a complete cash organization system.

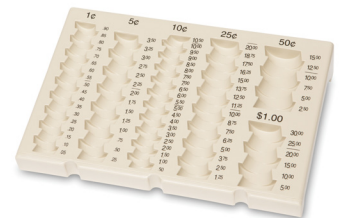

Our **5001** ten (10) compartment and 5601 six (6) compartment Teller Cash Trays will fit any standard cash drawer.

The dimensions are 3 - 3/8" H x 14 - 7/8" W x 14 - 7/8" D

Our **5701** Coin Tray was designed for convenient counter-top use.

Room for six (6) coin denominations of pennies, nickels, dimes, quarters, half-dollars, and dollars.

Our model **5003** Locking Lid fits the model **5001 & 5601** Cash Trays.

Available in tan or black durable styrene or tan painted aluminum.
